

Program

AIOD Locking Nailing courses for surgeons

Course Venue & Dates

27th and 28th September 2023 – Strasbourg,
France CEED (Centre Européen d'Etudes du Diabète)

Course Chair

Dr. Gilbert TAGLANG, President AIOD

Dr. Christos GARNAVOS, Guest Speaker
Evangelismos General Hospital Athens

Course Objectives

Upon completion of this course, the surgeon in training should be able to:

- Learn to treat and manage unique and challenging trauma injuries
- Discover new techniques and knowledge for the treatment of trauma fracture care
- Demonstrate a greater appreciation of reduction techniques relevant to proper anatomical alignment
- Demonstrate the proper use of percutaneous targeting systems for minimally invasive I.M. nailing systems
- Demonstrate advanced nailing techniques on difficult long bone fractures
