You will have to sign the attendance list everyday and the attendance certificate will be overhanded to you at the end of the course on Friday.

Scientific Program

During this course, please, feel free to ask questions! The principle of such groups is interesting as you will be able to discuss techniques, tricks and pitfalls, etc. Take the advantage of this situation to ask for explanation.

For any queries, please don't hesitate to ask Mrs. Hamm who will stay with you during the entire course (mobile phone if needed is: + 33(0)6 08 53 16 71).

We wish you a pleasant course and hope that you will appreciate your stay. Of course, we remain at your disposal should you need any further help or information.

Yours sincerely,

Dr. Gilbert TAGLANG

President AIOD
