A comprehensive craniomaxillofacial trauma course

- Didactic and accompanying cadaver dissection
- To highlight surgical anatomy and approaches
Overview
Specialists in oral and maxillofacial surgery, plastic surgery, and otolaryngology-head and neck surgery will find this course provides an excellent opportunity for both lecture updates and hands-on cadaveric practice of various surgical approaches and techniques. Faculty will focus on the management of upper face, midface and mandibular trauma for pediatric and adult patients. Discussion will include surgical decision making, including fixation and implant choices, as well as the prevention and management of complications, and clinical outcomes. The limited audience size will promote collegial dialogue and optimum opportunities to observe and practice skills with expert faculty guidance.

Target Audience
This continuing medical education event is designed for practicing physicians and residents specializing in oral and maxillofacial surgery, plastic surgery, and otolaryngology-head and neck surgery who desire an update in the surgical techniques and technologies available to improve patient outcomes.

Objectives
Upon completion of this course, the physician should be able to:

1. Delineate care algorithms for the surgical management of facial trauma in children and adults.
2. Evaluate clinical studies and patient outcomes associated with craniomaxillofacial trauma management.
3. Assess steps to prevent and manage intra- and post-operative complications.
4. Relate how craniomaxillofacial trauma techniques and device applications are relevant to your patient population and may improve patient outcomes.
5. Demonstrate surgical approaches, techniques, and the application of devices on practicum models.

Accreditation
Pfiedler Enterprises is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
Pfiedler Enterprises designates this educational activity for a maximum of 12.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Declaration of Disclosure for Pfiedler Enterprises
In compliance with the ACCME Standards for Commercial Support, Pfiedler Enterprises provides disclosure and resolution of conflict information for individuals who may control the content of this CME activity. Please visit our website at: www.pfiedlerenterprises.com/declarationofdisclosure.htm

Support
Pfiedler Enterprises gratefully acknowledges the educational grant provided by Stryker.

All faculty participating in continuing medical education activities sponsored by Pfiedler Enterprises are expected to disclose to the audience any real or apparent financial affiliations related to the content of their presentations. Detailed disclosure will appear in writing and be distributed on-site prior to the course and will also be made verbally prior to the faculty presentation at the live event.

Transferability of Skills to Clinical Practice and Disclaimer

The purpose of this continuing medical education activity is to provide opportunities to physicians to learn, discuss, observe, and practice the application of new knowledge and skills on models during a faculty guided practicum. This course is not intended to prepare physicians for procedures or techniques in clinical practice. Attendance at this course does not imply clinical competence. Faculty recommend ongoing education and skill practice with experienced, qualified colleagues. It is the responsibility of an attendee to follow the process required by their healthcare organization to secure clinical privileges in procedures and techniques taught during the course.

Registration

Please complete the CME Registration Form in this brochure.

Physician Tuition: $350  Resident Tuition: $35  
Tuition fee includes breakfasts, refreshment breaks, luncheon on Saturday, and course syllabus. The course fee is due upon registration. This course is limited to 48 participants. To reserve your space, send this completed registration form and tuition fee early.

Pfiedler Enterprises reserves the right to cancel this activity if necessary. Registered participants will be notified no later than two weeks prior to the scheduled date and a full refund will be issued. Pfiedler Enterprises is not responsible for non-refundable tickets purchased to attend this course.

Course Location

Spine Masters Institute  
North American Spine Society  
7075 Veterans Boulevard, Burr Ridge, IL 60527  
www.spine.org

The Spine Masters Institute is located south of downtown Chicago, off Interstate 55, with easy access to O’Hare and Midway Airports.

Accommodations

Chicago Marriott Southwest Burr Ridge  
1200 Burr Ridge Parkway, Burr Ridge, IL 60527  
630.986.4100  
www.marriottburrridge.com

A complimentary shuttle will be provided for meeting attendees from the Marriott to the Spine Masters Institute each day. On Sunday, complimentary shuttles will take attendees back to the Marriott and to Midway Airport only.

The group rate is $99 for king or $109 for a double queen per night plus applicable fees & taxes. A limited number of rooms are being held under the group name, “Craniofacial Meeting” until Friday, January 25, 2008. Have your credit card handy when arranging your stay and refer to the group name to obtain these rates.

Should you need to cancel your reservation, you must do so 24 hours in advance of the arrival date, or you will be charged the cancel fee of one night’s stay. Reservations made after the listed cut-off date are subject to rate and space availability. Participants are responsible for their own travel and lodging, and any cancellation fees incurred.

The Chicago Marriott Southwest Burr Ridge is located one-half mile south of the I-294 and I-55 interchange, and only 19 miles from downtown Chicago.

Ample parking is available. It is self-park only and complimentary.

Driving Directions to the Spine Masters Institute

From Chicago O’Hare Airport: Go south on Bessie Coleman Drive. Merge onto I-290 E towards Chicago. Merge onto I-294 S via exit 1D toward Indiana (portions toll). Merge onto I-55 S/Joliet Rd S toward St. Louis. Take N. County Line Rd exit 276B. Merge onto S County Line Rd. Turn left onto Veterans Blvd. (20 miles, 25 minutes)

From Chicago Midway Airport: Go south on Cicero Ave. Make a U-turn at W. 59th St. onto Cicero Ave going North. Merge onto I-55 via the ramp on the left. Take the N. County Line Rd exit 276B. Merge onto S County Line Rd. Turn left onto Veterans Blvd. (14 miles, 20 minutes)
Saturday, February 16

7:00 am  Shuttle from the Marriott Southwest to the Spine Masters Institute

7:15 – 7:45  Registration & Continental Breakfast

7:45 – 8:00  Welcome & Opening Remarks

Session I  Upper Facial Trauma

8:00 – 9:30 Presentations & Discussion
Management of Fractures Involving:
- Frontal Sinus
- Naso-Orbital-Ethmoidal
- Ophthalmologic
- Orbital
  - ZMC
  - Blowout Fractures

9:30 – 9:50 Faculty Panel

9:50 – 10:00 Break & Transition to Practicum

10:00 – Noon Practicum
- Demonstration / Dissection by Faculty
- Hands-on Practice:
  - Frontal Sinus Fixation
  - Bicoronal Flap
  - Open Sky Incision
  - Supratarsal Incision
- Orbital Trauma
  - Subciliary Approach
  - TransConjunctival Approach
  - Infraborital Rim Plate Placement
- Naso-Orbital-Ethmoid Fixation

Noon – 1:00 Luncheon

Session II  Midface Trauma

1:00 – 2:30 Presentations & Discussion
- Maxillary/Le Fort & Zygomatic Arch Fractures
- Nasal Fractures
- Dental Alveolar Fractures

2:30 – 2:50 Faculty Panel

2:50 – 3:00 Break & Transition to Practicum

3:00 – 5:00 Practicum
- Demonstration / Dissection by Faculty
- Hands-on Practice:
  - Nasal Bone/Septal Reduction
  - Le Fort I Osteotomies/Fractures with Buttress Plating
  - Open Rhinoplasty

5:00 – 5:15 Discussion and Summary

5:15 pm Adjourn

Sunday, February 17

7:15 am  Shuttle from the Marriott Southwest to the Spine Masters Institute

7:30 – 8:00 am Breakfast

Session III  Mandibular Trauma

8:00 – 10:00 Presentations & Discussion
Management of Fractures Involving:
- Mandibular Trauma I
- Mandibular Trauma II

10:00 – 10:20 Faculty Panel

10:20 – 10:40 Break & Transition to Practicum

10:40 – 12:55 Practicum
- Demonstration / Dissection by Faculty
- Hands-on Practice:
  - Lower Buccal Sulcus Exposure/Transbuccal Approach
  - Risdon Incision/Angle Fracture
  - Compression Plate Placement
  - Reconstruction Plate Placement
  - Subcondylar Fracture

12:55 – 1:00 Closing Remarks, Evaluation

1:00 pm Adjourn

Complimentary shuttle to the Marriott and Midway Airport only.
