

Craniofacial Surgery For the Neurologic and Skull Base Surgeon

Saturday
April 24, 2004
New Orleans, Louisiana

Technical Support Offered by:

Advanced Cranio-Maxillofacial Forum

A Continuing Medical Education Activity
Sponsored by:

Overview

This educational activity will focus on interdisciplinary problem solving in cranio-maxillofacial surgery and will be of interest to head and neck surgeons and neurosurgeons. Advanced technologies used to solve problems will be highlighted, as well as indications, complications and peri-operative considerations. Teaching methods include focused interdisciplinary panel discussions of controversial clinical issues and case studies, and a presentation of basic concepts and fundamentals, and controversial issues. Participants will have an opportunity to gain and expand their knowledge regarding endoscopic surgery of the cranial base and pituitary fossa using minimally invasive techniques.

Objectives

Upon completion of this activity, the surgeon should be able to:

1. Discuss controversial topics in cranio-maxillofacial surgery, differences in sub-specialty approaches, and standards of care.
2. Discuss ideas and approaches to complex neurosurgical clinical care problems.
3. Evaluate current technology and its use in solving cranio-maxillofacial problems.
4. Describe minimally invasive approaches for endoscopic surgery of the cranial base and pituitary fossa.
5. Identify methods to avoid and manage major complications of endoscopic surgery of the cranial base and pituitary fossa.
6. Recall anatomic relationships of sphenoid sinus.
7. Review principles and limitations of image guidance as it relates to endoscopic approaches.

Target Audience

The course is intended for Neurosurgeons and Head and Neck Surgeons.

Accreditation

HealthStream is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credits

HealthStream designates this educational activity for a maximum of 7.5 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Physicians licensed outside the United States, nurses and other healthcare professionals participating in this CME activity will receive certificates verifying the activity was designated for AMA-PRA credit. For questions, contact the Accreditation Coordinator at 800-832-5115.

Support

Grant funds provided by Leibinger Micro Implants, a division of Stryker. Technical support offered by **ACMF**, Advanced Cranio- Maxillofacial Forum.

ADA Statement

HealthStream will be glad to assist you with any special needs (i.e., physical, dietary, etc.). Please contact HealthStream at 800-832-5115.

Course Location and Accommodations

W Hotel—New Orleans

Preliminary Agenda

Saturday, April 24, 2004

7:15 - 7:45 am Continental Breakfast & Registration

7:45 - 8:00 am Introduction

Session I:

8:00 - 9:15 am Craniostynosis and Skull Molding

Session Chair: Jeffrey Posnick, DMD, MD

Panelists: Michael Moses, MD
David Jansen, MD
John Walsh, MD

Session II:

9:15 - 10:30 am Management of Midface/NOE/
Panfacial Fractures

Session Chair: Randall Wilk, DDS, PhD, MD

Panelists: Thomas H.M. Moulthrop, MD
Leon F. Fournet, DDS
Anthony Indovina, DDS
Aldo Guerra, MD

10:30 - 10:45 am Coffee Break

Session III:

10:45 - 12:00 pm Management of Secondary
Deformities of the Skull and Face

Session Chair: Jeffrey Posnick, DMD, MD

Panelists: Demarcus Smith, DMD
Stephen E. Metzinger, MD
Charles Dupin, MD

12:00 - 1:00 pm Lunch

Session IV:

1:00 - 2:30 pm Conventional and Minimally Invasive
Approaches to the Paranasal Sinuses
and Ventral Skull Base

Session Chair: Amin Kassam, MD, FRCS(C)

Panelists: Ricardo L. Carrau, MD
Carl Snyderman, MD
Daniel W. Nuss, MD
Roger Smith, MD

2:30 - 3:30 pm Workshop Session and Coffee Break

Session V:

3:30 - 5:00 pm Endoscopic vs. Microseptal Pituitary
Approaches

Session Chair: Amin Kassam, MD, FRCS(C)

Panelists: Ricardo L. Carrau, MD
Daniel W. Nuss, MD
Guy Petruzzelli, MD, PhD
Roger Smith, MD
Carl Snyderman, MD

5:00 - 6:00 pm Reception and Meet the Faculty

Course Directors

Amin Kassam, MD, FRCS(C)

Associate Professor of Neurological,
Otolaryngology Head and Neck Surgery
Director, Center for Cranial Nerve Disorders
Co-Director, Center for Minimally Invasive
and Cranial Base Surgery
UPMC Presbyterian
Pittsburgh, Pennsylvania
