

Interdisciplinary Problem Solving

in Cranio-Maxillofacial
and Neurologic Surgery

May 7, 2005

New York, New York

Technical Support Offered by:

Advanced Cranio-Maxillofacial Forum

A Continuing Medical Education Activity

Sponsored by:

Overview

This educational activity will focus on interdisciplinary problem solving in neurologic and cranio-maxillofacial surgery. Advanced technologies used to solve problems will be highlighted, as well as indications, complications and peri-operative considerations. Teaching methods include focused interdisciplinary panel discussions of controversial clinical issues and case studies, and a presentation of basic concepts and fundamentals.

There will be a choice of afternoon sessions. In one, participants will have an opportunity to gain and expand their knowledge regarding endoscopic surgery of the cranial base and pituitary fossa using minimally invasive techniques. In the other session, the focus will be mandibular tumors and fractures.

Objectives

Upon completion of this activity, the participant should be able to:

1. Discuss controversial topics in cranio-maxillofacial surgery, differences in sub-specialty approaches, and standards of care.
2. Discuss ideas and approaches to complex neurosurgical clinical care problems.
3. Identify common complications encountered in cranio-maxillofacial surgery and develop approaches for treatment.
4. Evaluate current technology and its use in solving cranio-maxillofacial problems.
5. Describe minimally invasive approaches for endoscopic surgery of the cranial base and pituitary fossa.
6. Identify methods to avoid and manage major complications of endoscopic surgery of the cranial base and pituitary fossa.
7. Summarize principles and limitations of image guidance as it relates to endoscopic approaches.

Target Audience

Physicians (including residents) practicing in the fields of Neurosurgery, Oral and Maxillofacial Surgery, Otolaryngology—Head and Neck Surgery, and Plastic Surgery.

Accreditation

HealthStream is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credits

HealthStream designates this educational activity for a maximum of 7.5 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Physicians licensed outside the United States, nurses and other healthcare professionals participating in this CME activity will receive certificates verifying the activity was designated for AMA-PRA credit. For questions, contact the Accreditation Coordinator at 800-832-5115.

Support

Grant funds provided by Leibinger Micro Implants, a division of Stryker.

Technical support offered by
ACMF, Advanced Cranio-Maxillofacial Forum.

Course Location and Accommodations

**The Westin New York
at Times Square**

270 West 43rd Street
New York, New York
Phone: 212-201-2700
Reservations: 1-800-WESTIN1

The Westin New York has extended a room rate of \$219 per night to attendees; this rate will be honored until **April 15, 2005**. Reservations will be accepted after that date based upon availability and at prevailing rates.

Online hotel reservation information can be found at www.healthstream.com/livecourses.

Participants are responsible for their own travel and accommodations.

ADA Statement

HealthStream will be glad to assist you with any special needs (i.e., physical, dietary, etc.). Please contact HealthStream at 800-832-5115.

Disclaimer

However, participants must always use their own judgment and professional opinion when considering future application of this information, particularly as it may relate to patient diagnostic or treatment decisions. HealthStream does not endorse or promote any commercial product that may be discussed in this activity.

Preliminary Agenda

7:15 – 7:45 am Continental Breakfast and Registration

7:45 – 8:00 am Introductory Remarks
Peter Costantino, MD

8:00 – 9:15 am **Session I:**

Management of Congenital Cranial Abnormalities
Session Chair: Mark Smith, MD, FACS
Panelists: Peter Costantino, MD
Saadi Ghatan, MD
David Staffenberg, MD, FACS

9:15 – 10:30 am **Session II:**

Management of Midface/NOE/Panfacial Fractures
Session Chair: Mark DeLacure, MD, FACS
Panelists: Brian Bovino, DMD
Peter Costantino, MD
Robert Glickman, DMD
Jon Turk, MD

10:30 – 10:45 am Coffee Break

10:45 – 12:00 pm **Session III:**

Management of Secondary Post Traumatic Deformities of the Skull and Face
Session Chair: Peter Costantino, MD
Panelists: Rajendra Bhayani, MD
Brian Bovino, DMD
Mark Smith, MD, FACS
Jon Turk, MD

12:00 – 1:00 pm Lunch

1:00 – 2:30 pm **Session IV:**

Option 1 – Mandibular Tumor Reconstruction
Session Chair: Peter Cordeiro, MD, FACS
Panelists: Arthur Adamo, DDS
Joseph Disa, MD, FACS
Eric Genden, MD, FACS

Option 2 – Conventional and Minimally Invasive Approaches to the Paranasal Sinuses and Ventral Skull Base

Session Chair: Amin Kassam, MD, FRCS(C)
Panelists: Peter Costantino, MD
Chandranath Sen, MD
Carl Snyderman, MD

2:30 – 3:30 pm Workshop Session and Coffee Break

3:30 – 5:00 pm **Session V:**

Option 1 – Management of Mandibular Fractures

Session Chair: Sidney Eisig, DDS
Panelists: Arthur Adamo, DDS
Anthony Casino, DDS
Salvatore Ruggiero, DMD, MD

Option 2 – Endoscopic Versus Microseptal Pituitary Approaches

Session Chair: Amin Kassam, MD, FRCS(C)
Panelists: Peter Costantino, MD
Chandranath Sen, MD
Carl Snyderman, MD

5:00 – 6:00 pm Reception and Meet the Faculty

Course Directors

Peter D. Costantino, MD

Associate Professor of Clinical Otolaryngology
Department of Otolaryngology
Columbia University School of Medicine
Vice-Chairman
Department of Otolaryngology-Head and Neck Surgery
Co-Director, Center for Cranial Base Surgery
St. Luke's-Roosevelt Hospital Center
New York, New York

Peter G. Cordeiro, MD, FACS

Professor of Surgery
Department of Surgery
Director of Resident Training and Microsurgery
Fellowship Program
Cornell University Medical College
Chief of Plastic and Reconstructive Surgery Service
Memorial Sloan-Kettering Cancer Center
New York, New York

Sidney B. Eisig, DDS

George Gutmann Professor of Clinical Craniofacial Surgery
School of Dental and Oral Surgery
Columbia University Medical Center
Chairman
Oral and Maxillofacial Surgery
New York Presbyterian Hospital
New York, New York

Amin Kassam, MD, FRCS(C)

Associate Professor of Neurological Surgery
Director
Center for Cranial Nerve Disorders and Microvascular Surgery
Co-Director
Center for Skull Base and Minimally Invasive Surgery
Associate Director
Cerebrovascular Surgery Section
Director
Minimally Invasive Neurosurgical Center
University of Pittsburgh
Pittsburgh, Pennsylvania

Faculty

Arthur K. Adamo, DDS, FACS

Associate Professor
Albert Einstein College of Medicine
Director of Oral and Maxillofacial Surgery
North Bronx Healthcare Network
Bronx, New York

Rajendra D. Bhayani, MD

Brookdale University Hospital
Brooklyn, New York

Brian F. Bovino, DMD

Chief, Division of Oral and Maxillofacial Surgery
Residency Program Director for Oral and Maxillofacial Surgery
Department of Otolaryngology-Head and Neck Surgery
St. Luke's-Roosevelt Hospital Centers
New York, New York

Anthony Casino, DDS

Chief, Division of Oral and Maxillofacial Surgery
University Medical Center at Stony Brook
Stony Brook, New York

Mark D. DeLacure, MD, FACS

Chief, Division of Head and Neck Surgery and Oncology
Associate Professor of Otolaryngology
Department of Otolaryngology
Associate Professor of Reconstructive Plastic Surgery
Institute of Reconstructive Plastic Surgery
Department of Surgery
New York University Cancer Institute
New York, New York

Joseph J. Disa, MD, FACS

Associate Professor of Surgery
Department of Surgery
Cornell University Medical College
Associate Attending
Plastic and Reconstructive Surgery Service
Memorial Sloan-Kettering Cancer Center
New York, New York

Eric M. Genden, MD, FACS

Associate Professor and Interim Chair
Otolaryngology-Head and Neck Surgery
and Immunobiology
Mt. Sinai School of Medicine
New York, New York

Saadi Ghatan, MD

Assistant Professor of Neurosurgery
Columbia University
Attending Pediatric Neurosurgeon
The Morgan Stanley Children's Hospital of
New York - Presbyterian
New York, New York

Robert S. Glickman, DMD

Department of Surgery
Professor and Chairman
Department of Oral and Maxillofacial Surgery
NYU College of Dentistry
New York, New York

Salvatore L. Ruggiero, DMD, MD

Chief of Oral and Maxillofacial Surgery
Associate Chairman
Department of Dental Medicine
Long Island Jewish Medical Center
New Hyde Park, New York

Chandranath Sen, MD

Chairman
Department of Neurosurgery
St. Luke's-Roosevelt Hospital Center
New York, New York

Mark L. Smith, MD, FACS

Chief of Pediatric Plastic Surgery
Director
The Continuum Craniofacial Cleft-Palate Center
Beth Israel Medical Center
New York, New York

Carl H. Snyderman, MD

Associate Professor of Otolaryngology/Head and
Neck Surgery, Neurological Surgery
Co-Director, Center for Minimally Invasive and
Cranial Base Surgery
University of Pittsburgh Medical Center
Presbyterian
Pittsburgh, Pennsylvania

David A. Staffenberg, MD, FACS

Chief of Pediatric Plastic Surgery
Surgical Director
The Center for Craniofacial Disorders
The Children's Hospital at Montefiore
Bronx, New York

Jon Turk, MD

Facial Plastic and Reconstructive Surgery
New York, New York
