stryker

Built for the journey.

The patient experience is critical to the success of your organization. The Prime TC was designed to help reduce the risk of adverse events like patient falls and infection, while enhancing the patient experience, all in an effort to maximize your reimbursements. Features of the Prime TC include:

BackSmart® Push Handles

Allow caregivers to position their elbows at an ergonomic 90-degree angle during transport and accommodate caregivers of different heights.

2 Stand Assist Armrests

Are uniquely designed with a raised and extended touchpoint for patients during ingress and egress to encourage correct positioning. Armrests fold back easily for better patient access.

3 Big Wheel® Maneuverability

utilizes innovation from Stryker stretchers to help ease cornering and steering of patients up to 500 lbs.

4 Flip-Up Footrests

help reduce trip hazards by providing a clear path of patient ingress and egress. Foot-operated swing away functionality enhances access to the patient and closer positioning to beds, cards or tables

One-touch Central Brake
enhances caregiver efficiency and is foot-operated to
help reduce bending and reaching.

6 Chrome-plated IV Pole
prevents rust and is 1" thick for exceptional
durability. The circular topper is available in six

colors for department identification.

Additional features include:

Foley bag hook, chart holder, lap belt, padded seat, leg supports, IV pole top color options.
