

LIFEPAK® 15 V4+

monitor/defibrillator

Stream. Consult. Connect.

In today's world, telemedicine and staff shortages are increasing the demand for streamlined communication and easy remote consultations. Stryker's LIFEPAK 15 V4+ helps:

- Accelerate patient care by sharing critical data and real-time status
- Organize your workflow across all teams with live streaming
- Expedite treatment or transport plans backed by remote clinicians
- Streamline communication with easy access to patient updates
