## Service details

**Onsite services** are performed between 8 a.m. to 5 p.m. local time, Monday through Friday, excluding holidays. Customer is to ensure Covered Equipment is available for Service at scheduled times or additional labor charges may apply. Some Services may not be completed onsite. Stryker will cover travel and/or round-trip freight for Covered Equipment that must be sent to our designated facility for repair.

**Ship-in service** will ship your device to the nearest service center for repairs and inspections. We use only original manufacturer parts, and services will be performed at a designated Stryker facility. Stryker will cover round-trip shipping (ground only) for covered equipment sent to our designated facility for service.

**Loaners** will be provided if Covered Equipment must be removed from use to complete repairs. Stryker will strive to provide Customer with a similar loaner device until the Covered Equipment is returned. Customer assumes complete responsibility for the loaner and shall return the loaner in the same condition as received, upon the earlier of the return of the removed Covered Equipment or Stryker request.

**Updates** are changes to a device to enhance its current features, stability or software. Stryker will install Updates at no additional cost, provided such Updates are installed at the time of regularly scheduled Services. Updates at a time other than regularly scheduled Services will be billed on a separate invoice at 20% off the then-current list price of the Update. If parts must be replaced to accommodate installation of new software, such parts may be purchased at 30% off the then-current list price.

**Upgrades** are major, standalone versions of software or the addition of features or capabilities to a device. For all Service Plans, Upgrades are not provided under the Plan and must be purchased separately. Upgrades are available at 15% off the then-current list price.

Service Plans do not include: supply or repair of accessories or disposables; repair of damage caused by misuse, abuse, abnormal operating conditions, operator errors, acts of God, and use of batteries, electrodes or other products not distributed by Stryker; replacement or repair of cases; repair or replacement of items not originally distributed or installed by Stryker; Upgrades and installation of Upgrades.
