

Frequently asked questions

How do I access PartnerBridge?

- Starting October 19, [create an account](#) and register your organization.
 - Already registered? [Log in to PartnerBridge](#) to submit a request.
-

What should I have ready?

Requirements vary by organization and request type. Have applicable documents ready:

- W-9 or equivalent
 - Accreditation certification
 - IRS determination letter
 - Detailed program information
 - Itemized program budget
-

When should I submit?

Submit at least **8 weeks** before the program starts to allow time for review.

How do I check my request's status?

- Check your status in PartnerBridge.
 - You'll also receive email updates during review and when a decision is made.
-

What happens after approval?

- Activity-specific agreements may be required, including an authorized signature.
 - Complete required agreements before payment, product delivery, or the activity takes place.
-

What do I do after the program?

- Submit the post-support closeout form in PartnerBridge within **45 days** of the program end date.
- Supporting documentation may be required to confirm how you used Stryker's support.
