ProCuity
bed series

Safe.Smart.Scalable

ProCuity features advanced fall prevention, wireless technology and scalability. ProCuity is ergonomically designed for patient handling featuring Zoom Motorized Drive and electric breaks. ProCuity also offers a proactive approach to help prevent falls, reduce injury from falls, and streamline caregiver workflow. It's also scalable – accommodating clinical needs from Med/Surg units up to the ICU, helping hospitals standardise their bed fleet and improve caregiver efficiencies.
