

# SpareChair

## Flexible Seating

### Simple flexible seating solution for your patient care areas

SpareChair allows you to provide flexible seating solutions for both visitors and patient guests. With a folding frame design and optional wall mounting bracket the SpareChair can easily be stored in areas where space is at a premium.

Folding frame and optional wall mount for convenient storage.

Optional custom logo embroidery.

**High-density foam** provides lasting shape and support.

**Solid maple construction.**

**Folding capability** allows for fast and convenient storage.
