

Symmetry® II

Bariatric Chair

Sleek and Sturdy for Your Bariatric Needs

Durability and design unite to offer a high-performing Bariatric Chair. Transitional styling and clean lines provide a classic look that is easily integrated in all lounge and patient room environments.

750 lbs dynamic weight capacity

Removable seat and slip-covered cushions facilitate maintenance, cleaning and enhance durability

High-density Ultracell foam promotes maximum comfort and resiliency

Perma-Mesh™ suspension with 2" steel frame provides additional support

Accentuated lumbar design supports lower back

Arched, open-arm design with extended arm caps permits easy entry and exit

Limited lifetime warranty
