

Unity™ Chaise lounge Sleeper

Refresh your room with our new furniture line.

Sit, relax, or sleep in comfort in our Chaise Lounge Sleeper. Easily operated by one person, our compact Chaise Lounge Sleeper extends into a generous 24" by 77" sleeping surface without requiring additional wall clearance. Repositioning is a cinch, with two non-swivel manual locking casters on the front and two swivel non-locking casters on the back for better steering. Modern and durable, it features an easily cleanable nonporous frame with self-skinned urethane (SSU) armcaps, which are available in a variety of colors. Our Chaise Lounge Sleeper is a versatile solution to refresh any room.

Focused on cleanability to help support infection control*

- Optional sealed seams
- Clean out space around seat cushions for easy housekeeping and infection control practices
- SSU armcaps are cleanable and nonporous
- No Velcro on seat or back
- Cleanable with 100:1 bleach solution and Stryker's SideKick disinfectant cleaner

*For proper cleaning, the textile selection needs to be identified. It is vital that following any chemical application a clear water wipe down occur to avoid chemical build up that will lead to deterioration of the textile. Contact Global should information on using a specific disinfectant be required.
