Business Objects (formerly Crystal Decisions)

General Information	
Source Code Status	Unavailable to licensees
URL	N/A
Supplemental License Text	<p>BUSINESS OBJECTS LICENSE AGREEMENT</p> <p>IMPORTANT-READ CAREFULLY: THIS IS A LEGAL AGREEMENT BETWEEN YOU AND BUSINESS OBJECTS FOR THE BUSINESS OBJECTS SOFTWARE PRODUCT ACCOMPANYING THIS SOFTWARE LICENSE AGREEMENT, WHICH MAY INCLUDE COMPUTER SOFTWARE, ASSOCIATED MEDIA, PRINTED MATERIALS AND ONLINE OR ELECTRONIC DOCUMENTATION (“SOFTWARE”). BEFORE YOU INSTALL OR USE THE SOFTWARE, YOU MUST READ, ACKNOWLEDGE AND ACCEPT THE TERMS AND CONDITIONS OF THE SOFTWARE LICENSE AGREEMENT BELOW (“AGREEMENT”). BY ACCEPTING THE TERMS AND CONDITIONS OF THIS AGREEMENT OR BY USING OR INSTALLING THE SOFTWARE YOU REPRESENT THAT YOU HAVE CAREFULLY READ AND EXPRESSLY ACCEPT ALL TERMS AND CONDITIONS CONTAINED IN THIS AGREEMENT OR IN ANY OTHER AGREEMENT REFERENCED HEREIN AND WILL BE LEGALLY BOUND BY THE TERMS AND CONDITIONS SET FORTH HEREIN. IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS OF THE AGREEMENT, YOU SHALL NOT INSTALL OR USE THE SOFTWARE AND SHALL RETURN, WITHIN THIRTY (30) DAYS AS OF THE PURCHASE DATE, THE SOFTWARE TO THE PLACE YOU OBTAINED IT FOR A FULL REFUND OF THE AMOUNT PAID FOR THE SOFTWARE.</p> <p>1. GRANT OF LICENSE. Business Objects grants you a nonexclusive and limited license to use the Software products and functionalities for which you have paid the applicable fees solely for your internal business purposes and in accordance with the terms and conditions of this Agreement. The Software is licensed, not sold, to you. If you acquired this product as a special offer or as a promotional license included with another Business Objects product, additional restrictions apply as set forth in section 3.5 below. If you acquired this product bundled or in combination with a third party product, you may only use the Software with the third party product as described in section 3.2 (“Restricted License”) below. This license does not apply to any other software program provided with the Software, including promotional software, which is governed by the online software license agreement included with that software.</p> <p>“Business Objects” is the Business Objects company from whom you are purchasing the Software or related services, either directly or indirectly through a reseller.</p> <p>2. INSTALLATION AND USE. You may install and use the Software only in the configuration and for the number of licenses acquired by you. You may also install non-production copies of the Software as is reasonably necessary for disaster recovery, emergency restart and backup, including, but not limited to making copies for such purposes for use at one or more disaster recovery sites. In order to exercise your rights to the Software under this License Agreement you must activate your copy of the Software in the manner described during the launch sequence. Business Objects may control the number and type of licenses and the use of the Software by key codes.</p> <p>3. LICENSE TYPES AND DEFINITIONS.</p> <p>3.1. Named User License (“NUL”). When the Software is licensed on a Named User basis,</p>

each individual Named User must be specifically identified as the sole holder of a NUL. The sharing of the NUL by more than one individual is expressly prohibited. In addition, NUL(s) may not be transferred from one individual to another unless the original end user no longer requires, and is no longer permitted, access to the Software.

3.2. Restricted License. If you acquired the Software bundled or otherwise provided in combination with or for use with a third party product (“OEM Application”), you have acquired a Restricted License. You may use each licensed copy of the Software only in conjunction with the OEM Application with which it was provided. Accessing data that is not specifically created or processed by the OEM Application is in violation of this license. If the OEM Application requires the use of a data mart or data warehouse, the Software may be used with the data mart or data warehouse only to access data created or processed by the OEM Application. Restricted Licenses may not be combined with unrestricted licenses in the same Deployment.

3.3. Update License. If you received the Software as an update to a previously licensed product, your license to use the Software is limited to the aggregate number of licenses you have acquired for the previous product. If you choose to use the Software and the previous product simultaneously, the aggregate number of licenses used to access the Software and the previous product may not exceed the aggregate number of licenses you acquired for the previous product, except that a Named User may continue to use the previous product, but may not transfer or permit any other person to use the previous product.

3.4. Evaluation/Not for Resale License. An Evaluation or Not For Resale license may be used only for the number and type of licenses specified and for the period specified on the Software packaging, ordering or shipping documentation. Upon expiration of such specified period, the Products associated with an Evaluation or Not For Resale license will not function unless Licensee has obtained applicable permanent license keys. If the ordering or shipping documentation specifies a particular project, the Software may be used only with that project. An Evaluation License may only be used for evaluation purposes and may not be used for production purposes. Notwithstanding any other provision of this Agreement, Software provided under an Evaluation or Not for Resale licenses is provided “AS-IS” without warranty of any kind, express or implied. An Evaluation License or Not for Resale License may be terminated by Business Objects upon written notice at any time.

3.5. Promotional License. If you received the Software as a special offer or promotional license (“Promotional License”), you may only use the Promotional License with a new Deployment. Promotional Licenses may not be added to or used with an existing Deployment or Project.

The Distribution and Internal Installation terms and conditions differ based on the type of applications Licensee develops, as described in the following sections.

4.2.3 Internal Installation of Client Applications and Server Applications. Licensor grants Licensee a personal, nonexclusive, limited license to Internally Install the Runtime Product with Client Applications and Server Applications.

4.2.4 Distribution of Client Applications. Licensor grants Licensee a personal, nonexclusive, limited license to Distribute Client Applications to end users, if you comply with all of the terms herein, including without limitation section 4.2.6.

4.2.6 Runtime Product Distribution Requirements. If Licensee Distributes the Runtime Product to third parties pursuant to sections 4.2.4 or 4.2.5, Licensee shall comply with the following requirements:

- (a) Licensee Distribute copies of the Runtime Product solely as a part of an application that adds specific and primary functionality to the Runtime Product;
- (b) Licensee remains solely responsible for support, service, upgrades, and technical or other assistance, required or requested by anyone receiving such Runtime Product copies or sample applications;
- (c) Licensee does not use the name, logo, or trademark of Licensor, or the Product, without prior written permission from Licensor;
- (d) Licensee will defend, indemnify and hold Licensor harmless against any claims or liabilities arising out of the use, reproduction or distribution of Runtime Product or the associated application;
- (e) Licensee shall not distribute the Runtime Product with any general-purpose report writing, data analysis or report delivery product or any other product that performs the

same or similar functions as Licensor product offerings; and

(f) Licensee shall secure the end user's ("End User") consent to terms substantially similar to the following:

End User agrees not to modify, disassemble, decompile, translate, adapt or reverse-engineer the Runtime Product or the report file (.RPT) format;

End User agrees not to distribute the Runtime Product to any third party;

End User agrees not to use the Runtime Product to create for distribution a product that is generally competitive with Licensor product offerings;

End User agrees not to use the Runtime Product to create for distribution a product that converts the report file (.RPT) format to an alternative report file format used by any general-purpose report writing, data analysis or report delivery product that is not the property of Licensor;

End User agrees not to use the Product on a rental or timesharing basis or to operate a service bureau facility for the benefit of third-parties;

LICENSOR AND ITS SUPPLIERS DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT OF THIRD PARTY RIGHTS. LICENSOR AND ITS SUPPLIERS SHALL HAVE NO LIABILITY WHATSOEVER FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, COVER OR OTHER DAMAGES ARISING UNDER THIS AGREEMENT OR IN CONNECTION WITH THE SOFTWARE.

5. OWNERSHIP. Business Objects and/or its suppliers retain all right, title and interest in and to the Software and all copies at all times, regardless of the form or media in or on which the original or other copies may subsequently exist. You neither own nor hereby acquire any claim or right of ownership to the Software or to any related patents, copyrights, trademarks or other intellectual property. You agree to retain the Software, the terms of this Agreement as well as any Software benchmark or similar tests (whether performed by you, Business Objects or any third party) in confidence and prevent them from unauthorized disclosure or use except with Business Objects' prior written consent. Business Objects and/or its suppliers reserve all rights not expressly granted to you. Business Objects' suppliers are the intended third party beneficiaries of this License Agreement and have the express right to rely upon and directly enforce the terms set forth herein.

Solely with respect to the documentation included with the Software, you may make a reasonable number of copies (either in hardcopy or electronic form), provided that such copies shall be used only by licensed end users in conjunction with their use of the Software and are not republished or distributed to any third party. You must reproduce and include all copyright notices, trademarks or other proprietary legends of Business Objects and its suppliers on any copy of the Software or documentation made by you. Any and all other copies of the Software made by you are in violation of this Agreement.

7. RESTRICTIONS. Except as expressly permitted by this License Agreement or by applicable law you may not: (a) lease, loan, resell, sublicense, or otherwise distribute the Software or any of the rights granted by this License Agreement without the express written consent of Business Objects; (b) use the Software on a timesharing basis or to operate a

If you wish to exercise any right to reverse engineer to ensure interoperability in accordance with applicable law, you shall first provide written notice to Business Objects and permit Business Objects, at its discretion, to make and offer to provide information and assistance reasonably required to ensure Software interoperability with your other products for a fee to be mutually agreed upon (if any).

8. LIMITED WARRANTY AND REMEDY.

Such remedy shall be provided to you by Business Objects only if you give Business Objects written notice of any breach of the above-stated limited warranty, within thirty (30) days of delivery of the Software.

(C) EXCEPT FOR EXPRESS WARRANTIES STATED IN THIS SECTION 8 , BUSINESS OBJECTS AND ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY (I) OF MERCHANTABILITY, (II) OF FITNESS FOR A PARTICULAR PURPOSE, OR (III) OF NON-INFRINGEMENT OF THIRD PARTY RIGHTS, OR (IV) AGAINST HIDDEN DEFECTS. SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU, AND YOU MAY HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE OR BY JURISDICTION. YOU HAVE RELIED UPON YOUR OWN EXPERIENCE, SKILL AND JUDGEMENT TO EVALUATE THE SOFTWARE AND THAT YOU HAVE SATISFIED YOURSELF AS TO THE SUITABILITY OF THE SOFTWARE TO MEET YOUR REQUIREMENTS.

9. LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY

APPLICABLE LAW, IN NO EVENT WILL BUSINESS OBJECTS OR ITS DISTRIBUTORS, SUPPLIERS OR AFFILIATES BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING WITHOUT LIMITATION, ANY LOST PROFITS OR REVENUES, LOSS OR INACCURACY OF ANY DATA, OR COST OF SUBSTITUTE GOODS, REGARDLESS OF THE THEORY OF LIABILITY (INCLUDING NEGLIGENCE) AND EVEN IF BUSINESS OBJECTS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BUSINESS OBJECTS AND ITS SUPPLIERS' AGGREGATE LIABILITY TO YOU FOR ACTUAL DIRECT DAMAGES FOR ANY CAUSE WHATSOEVER SHALL BE LIMITED TO THE SOFTWARE LICENSE FEES PAID BY YOU FOR THE SOFTWARE OR THE FEES PAID BY YOU FOR THE SERVICE DIRECTLY CAUSING THE DAMAGES. THESE LIMITATIONS WILL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. THE FOREGOING ALLOCATION OF RISK IS REFLECTED IN THE FEES CHARGED UNDER THIS LICENSE AGREEMENT. SOME STATES/JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY IN CERTAIN CIRCUMSTANCES INCLUDED IN THIS SECTION, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU ONLY IN SUCH CIRCUMSTANCES.

10. SUPPORT SERVICES. If you purchased Support Services, Business Objects will provide to you product support services for the Software in accordance with Business Objects then current Support Services terms and conditions. If you purchase Support Services for the Software, you must purchase Support Services for all authorized copies of said Software in your possession.

11. TERMINATION. This Agreement is effective until terminated. You may terminate this License Agreement at any time by providing Business Objects with written notice, provided that you have complied with the return and/or destruction policy set forth below. However, you shall receive a refund of your license fee only if this Agreement is terminated in compliance with Section 8 hereof. If you ordered an Evaluation License for the Software that is time disabled, this Agreement will automatically terminate after the Evaluation Period, and you agree not to avoid, or attempt to avoid, any applicable time limitation. This Agreement may be terminated by Business Objects if: (i) you fail to pay the license fees and other charges set forth at the time of your order; or (ii) you fail to comply with any of the terms and conditions set forth in this Agreement and do not remedy such failure within thirty (30) days after receiving notice thereof. Termination shall not relieve you from your obligation to pay fees that remain unpaid and shall not limit Business Objects from pursuing other available remedies. Upon any termination by Business Objects of this Agreement, Business Objects will have no obligation to refund to you any fees paid by you and you agree to waive in perpetuity and unconditionally any and all claims for refunds. Upon any termination of this Agreement, you agree to: (i) immediately cease all use of the Software, including the use and distribution of any Custom Applications incorporating the Software; and (ii) either return the Software to Business Objects or destroy same, and certify to Business Objects, in writing, that all copies and partial copies thereof have been returned or completely destroyed and are no longer being used. Sections 5, 6, 8(c), 9, 11, 12, 13, 14, 15, 17 and 18 shall survive any termination of this Agreement.

12. AUDIT. During the term of this Agreement and for two (2) years after termination or expiration, Business Objects may audit, upon reasonable notice to you and at Business Objects' expense, your books and records to determine your compliance with this Agreement. In the event any such audit reveals that you have underpaid Business Objects by an amount greater than five percent (5%) of the amounts due Business Objects in the period being audited, or that you have knowingly breached any material obligation

hereunder, then, in addition to such other remedies as Business Objects may have, you shall pay or reimburse to Business Objects the cost of the audit.

13. GENERAL. If any provision of this Agreement is ruled invalid, such invalidity shall not affect the validity of the remaining portions of this Agreement. This Agreement constitutes the entire agreement between you and Business Objects, and supersedes any prior agreement, whether written or oral, relating to the subject matter of this Agreement. This Agreement may not be modified except by an instrument in writing duly signed by an authorized representative of each of the parties. If you are acquiring the Software on behalf of an entity, you represent and warrant that you have the legal capacity to bind such entity to this Agreement. All terms of any purchase order or other ordering document submitted by you shall be superseded by this Agreement. In the event you and Business Objects have executed a mutually agreed upon a separately executed software license and related services agreement ("MSLA") and acquired the Software pursuant to such MSLA, the terms of the MSLA may govern your use of the Software and the terms of this Agreement shall be superseded by the MSLA. The product name for the Software is a trademark or registered trademark of Business Objects. Should you have questions concerning this License Agreement, please contact your local Business Objects sales office or authorized reseller, or write to: Business Objects, Attn: Contracts Department, 3030 Orchard Parkway, San Jose, CA 95134.

14. U.S. GOVERNMENT RESTRICTED RIGHTS. The Software is a "commercial item," as that term is defined at 48 C.F.R. 2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212 (Sept. 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995) (or an equivalent provision, e.g., in supplements of various U.S. government agencies, as applicable), all U.S. Government users acquire the Software with only those rights set forth herein. Manufacturer is Business Objects, 3030 Orchard Parkway, San Jose, CA 95134.

15. EXPORT CONTROLS. You acknowledge that the Software is of U.S. origin. You agree to comply with the export and import control laws, regulations and requirements of the United States and other applicable jurisdictions. Business Objects assumes no responsibility or liability for your failure to obtain any necessary export approvals. Without limiting the foregoing, You agree not to export to persons subject to restrictions, destinations subject to embargo, or to prohibited proliferation-related end-users or end-uses, without obtaining any export license or other approval that may be required under United States laws, regulations and requirements.

16. ORDER TERMS. Purchase orders conforming to Business Objects purchase order requirements may be accepted from qualified companies. All pre-printed terms of any purchase order not approved in writing by Business Objects shall have no effect. Payment terms are net-30 days from date of invoice. FOB Business Objects facility. Business Objects specifically disclaims price guarantees of any kind. You are responsible for payment of all applicable sales, use, consumption, VAT, GST, and other taxes and all applicable export and import fees, custom duties and similar charges, excluding taxes based on Business Objects net income.

17. GOVERNING LAW. Except as otherwise preempted by United States federal law, this Agreement is governed by the laws of the State of California, United States, without reference to conflict of laws provisions or the United Nations 1980 Convention on Contracts for the International Sale of Goods or any amendments thereto.

18. COUNTRY UNIQUE TERMS.

If you purchased the Software in any territory specified below (the "Local Territory"), this section sets forth specific provisions as well as exceptions to the above terms and condition. To the extent any provision applicable to the Local Territory (the "Local

Provision”) set forth below is in conflict with any other term or condition in this Agreement, the Local Provision will supersede such other term or condition with respect to any licenses purchased in the Local Territory.

Australia:

a) Limited Warranty and Remedy (Section 8): The following is added:

The warranties specified in this Section are in addition to any rights You may have under the Trade Practices Act 1974 or other legislation and are only limited to the extent permitted by the applicable legislation.

b) Limitation of Liability (Section 9): The following is added:

To the extent permitted by law, where Business Objects is in breach of a condition or warranty implied by the Trade Practices Act 1974 or the equivalent State or Territory legislation which cannot be excluded, Business Objects’ liability is limited, at Business Objects’ sole election: (i) in case of the Software: (a) (i) to repair or replace the goods, or the supply of equivalent goods, or (ii) payment of the cost of such repair or replacement or of acquiring equivalent goods; and (ii) in case of Support Services: (x) re-supply of the Support Services; or (y) the cost of having the services supplied again. In calculating Business Objects’ aggregate liability under this Agreement, the amounts paid or the value of any goods or services replaced, repaired or supplied by Business Objects pursuant to this paragraph shall be included.

c) Governing Law (Section 17): The following replaces the terms of this section in its entirety:

This Agreement is governed by the laws of the State or Territory in which you acquired the Software, without reference to conflict of laws provisions or the United Nations 1980 Convention on Contracts for the International Sale of Goods or any amendments thereto.

a) Limitation of Liability (Section 9): The following replaces the terms of this section in its entirety:

Except as otherwise provided by mandatory law:

1. Business Objects’ liability for any damages and losses that may arise as a result of the performance of its obligations in connection with this Agreement is limited to the compensation of only those damages and losses proved and actually arising as immediate and direct consequence of the non-fulfillment of such obligations (if Business Objects is at fault), for a maximum amount equal to the charges You paid for the Software that has caused the damages. This limitation shall not apply to damages for bodily injuries (including death) and damages to real property and tangible personal property for which Business Objects is legally liable.

2. UNDER NO CIRCUMSTANCES IS BUSINESS OBJECTS, OR ANY OF ITS SOFTWARE DEVELOPERS, LIABLE FOR ANY OF THE FOLLOWING, EVEN IF INFORMED OF THEIR POSSIBILITY: 1) LOSS OF, OR DAMAGE TO, DATA; 2) INCIDENTAL OR INDIRECT DAMAGES, OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES; 3) LOST PROFITS, EVEN IF THEY ARISE AS AN IMMEDIATE CONSEQUENCE OF THE EVENT THAT GENERATED THE DAMAGES; OR 4) LOSS OF BUSINESS, REVENUE, GOODWILL, OR ANTICIPATED SAVINGS.

3. The limitations and exclusion of liability herein agreed applies not only to the activities performed by Business Objects but also to the activities performed by its suppliers and

a) Warranty (Section 8): The following replaces the terms of this section in its entirety:

Business Objects warrants that the Software provides the functionalities set forth in the associated documentation (“Documented Functionalities”) for the Limited Warranty Period following receipt of the Software when used on the recommend hardware configuration. Limited Warranty Period means one year if you are a business user and two years if you are not a business user. Non-substantial variation from the Documented Functionalities does not establish any warranty rights. THIS LIMITED WARRANTY DOES NOT APPLY TO SOFTWARE PROVIDED TO YOU FREE OF CHARGE (FOR EXAMPLE, UPDATES, PRE-RELEASES, EVALUATION, OR NFR) OR SOFTWARE THAT HAS BEEN ALTERED BY YOU, TO THE EXTENT SUCH ALTERATION CAUSED A DEFECT. To make a warranty claim, you must return, at Business Objects expense, the Software and proof of purchase to the company from whom you obtained it. If the functionalities of the Software vary substantially from the agreed upon functionalities, Business Objects is entitled, by way of re-performance and at its own discretion, to repair or replace the Software. If that fails, you are entitled to a reduction of the purchase price or to cancel the purchase agreement.

b) Limitation of Liability (Section 9): The following paragraph is added to this Section:

The limitations and exclusions specified in this Section will not apply to damages caused by Business Objects’ intentional or by gross negligence. In addition, Business Objects shall be responsible for up to the amount of the typically foreseeable damages from any damage which has been caused by Business Objects or its agents due to the slightly negligent breach of a material contractual duty. This limitation of liability shall apply to all damage claims, irrespective of the legal basis thereof and in particular, to any pre-contractual or auxiliary contractual claims. This limitation of liability shall not, however, apply to any mandatory statutory liability under the product liability act nor to any damages which is caused due to the breach of an express warranty to the extent the express warranty was intended to protect you from the specific damage incurred. This clause shall not be intended to limit liability where the extent of liability is provided by mandatory law.

c) Governing Law (Section 17): The following replaces the terms of this section in its entirety:

This Agreement is governed by the laws of the country in which you acquired the Software, without reference to conflict of laws provisions or the United Nations 1980 Convention on Contracts for the International Sale of Goods or any amendments thereto.

Section 4 - GPLv2 License Agreement

GNU GENERAL PUBLIC LICENSE Version 2, June 1991

Copyright (C) 1989, 1991 Free Software Foundation, Inc.

Section 4 - GPLv2 License Agreement

GNU GENERAL PUBLIC LICENSE

Version 2, June 1991 Copyright (C) 1989, 1991 Free Software Foundation, Inc. 51 Franklin Street, Fifth Floor, Boston, MA 02110-1301, USA Everyone is permitted to copy and distribute verbatim copies of this license document, but changing it is not allowed. Preamble The licenses for most software are designed to take away your freedom to share and change it. By contrast, the GNU General Public License is intended to guarantee your freedom to share and change free software--to make sure the software is free for all its users. This General Public License applies to most of the Free Software Foundation's software and to any other program whose authors commit to using it. (Some other Free Software Foundation software is covered by the GNU Library General Public License instead.) You can apply it to your programs, too. When we speak of free software, we are referring to freedom, not price. Our General Public Licenses are designed to make sure that you have the freedom to distribute copies of free software (and charge for this service if you wish), that you receive source code or can get it if you want it, that you can change the software or use pieces of it in new free programs; and that you know you can do these things. To protect your rights, we need to make restrictions that forbid anyone to deny you these rights or to ask you to surrender the rights. These restrictions translate to certain responsibilities for you if you distribute copies of the software, or if you modify it. For example, if you distribute copies of such a program, whether gratis or for a fee, you must give the recipients all the rights that you have. You must make sure that they, too, receive or can get the source code. And you must show them these terms so they know their rights. We protect your rights with two steps: (1) copyright the software, and (2) offer you this license which gives you legal permission to copy, distribute and/or modify the software. Also, for each author's protection and ours, we want to make certain that everyone understands that there is no warranty for this free software. If the software is modified by someone else and passed on, we want its recipients to know that what they have is not the original, so that any problems introduced by others will not reflect on the original authors' reputations. Finally, any free program is threatened constantly by software patents. We wish to avoid the danger that redistributors of a free program will individually obtain patent licenses, in effect making the program proprietary. To prevent this, we have made it clear that any patent must be licensed for everyone's free use or not licensed at all. The precise terms and conditions for copying, distribution and modification follow. GNU GENERAL PUBLIC LICENSE TERMS AND CONDITIONS FOR COPYING, DISTRIBUTION AND MODIFICATION 0. This License applies to any program or other work which contains a notice placed by the copyright holder saying it may be distributed under the terms of this General Public License. The "Program", below, refers to any such program or work, and a "work based on the Program" means either the Program or any derivative work under copyright law: that is to say, a work containing the Program or a portion of it, either verbatim or with modifications and/or translated into another language. (Hereinafter, translation is included without limitation in the term "modification".) Each licensee is addressed as "you". Activities other than copying, distribution and modification are not covered by this License; they are outside its scope. The act of running the Program is not restricted, and the output

from the Program is covered only if its contents constitute a work based on the Program (independent of having been made by running the Program). Whether that is true depends on what the Program does.

1. You may copy and distribute verbatim copies of the Program's source code as you receive it, in any medium, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and disclaimer of warranty; keep intact all the notices that refer to this License and to the absence of any warranty; and give any other recipients of the Program a copy of this License along with the Program. You may charge a fee for the physical act of transferring a copy, and you may at your option offer warranty protection in exchange for a fee.

2. You may modify your copy or copies of the Program or any portion of it, thus forming a work based on the Program, and copy and distribute such modifications or work under the terms of Section 1 above, provided that you also meet all of these conditions:

- a) You must cause the modified files to carry prominent notices stating that you changed the files and the date of any change.
- b) You must cause any work that you distribute or publish, that in whole or in part contains or is derived from the Program or any part thereof, to be licensed as a whole at no charge to all third parties under the terms of this License.
- c) If the modified program normally reads commands interactively when run, you must cause it, when started running for such interactive use in the most ordinary way, to print or display an announcement including an appropriate copyright notice and a notice that there is no warranty (or else, saying that you provide a warranty) and that users may redistribute the program under these conditions, and telling the user how to view a copy of this License. (Exception: if the Program itself is interactive but does not normally print such an announcement, your work based on the Program is not required to print an announcement.)

These requirements apply to the modified work as a whole. If identifiable sections of that work are not derived from the Program, and can be reasonably considered independent and separate works in themselves, then this License, and its terms, do not apply to those sections when you distribute them as separate works. But when you distribute the same sections as part of a whole which is a work based on the Program, the distribution of the whole must be on the terms of this License, whose permissions for other licensees extend to the entire whole, and thus to each and every part regardless of who wrote it. Thus, it is not the intent of this section to claim rights or contest your rights to work written entirely by you; rather, the intent is to exercise the right to control the distribution of derivative or collective works based on the Program. In addition, mere aggregation of another work not based on the Program with the Program (or with a work based on the Program) on a volume of a storage or distribution medium does not bring the other work under the scope of this License.

3. You may copy and distribute the Program (or a work based on it, under Section 2) in object code or executable form under the terms of Sections 1 and 2 above provided that you also do one of the following:

- a) Accompany it with the complete corresponding machine-readable source code, which must be distributed under the terms of Sections 1 and 2 above on a medium customarily used for software interchange; or,
- b) Accompany it with a written offer, valid for at least three years, to give any third party, for a charge no more than your cost of physically performing source distribution, a complete machine-readable copy of the corresponding source code, to be distributed under the terms of Sections 1 and 2 above on a medium customarily used for software interchange; or,
- c) Accompany it with the information you received as to the offer to distribute corresponding source code. (This alternative is allowed only for noncommercial distribution and only if you received the program in object code or executable form with such an offer, in accord with Subsection b above.)

The source code for a work means the preferred form of the work for making modifications to it. For an executable work, complete source code means all the source code for all modules it contains, plus any associated interface definition files, plus the scripts used to control compilation and installation of the executable. However, as a special exception, the source code distributed need not include anything that is normally distributed (in either source or binary form) with the major components (compiler, kernel, and so on) of the operating system on which the executable runs, unless that component itself accompanies the executable. If distribution of executable or object code is made by offering access to copy from a designated place, then offering equivalent access to copy the source code from the same place counts as distribution of the source code, even though third parties are not compelled to copy the source along with the object code.

4. You may not copy, modify, sublicense, or distribute the Program except as expressly provided under this License. Any attempt otherwise to copy, modify, sublicense or distribute the Program is void, and will automatically terminate your rights under this License. However, parties who have received copies, or rights, from you under this License will not have their licenses terminated so long as such parties remain in full compliance.

5. You are

not required to accept this License, since you have not signed it. However, nothing else grants you permission to modify or distribute the Program or its derivative works. These actions are prohibited by law if you do not accept this License. Therefore, by modifying or distributing the Program (or any work based on the Program), you indicate your acceptance of this License to do so, and all its terms and conditions for copying, distributing or modifying the Program or works based on it.

6. Each time you redistribute the Program (or any work based on the Program), the recipient automatically receives a license from the original licensor to copy, distribute or modify the Program subject to these terms and conditions. You may not impose any further restrictions on the recipients' exercise of the rights granted herein. You are not responsible for enforcing compliance by third parties to this License.

7. If, as a consequence of a court judgment or allegation of patent infringement or for any other reason (not limited to patent issues), conditions are imposed on you (whether by court order, agreement or otherwise) that contradict the conditions of this License, they do not excuse you from the conditions of this License. If you cannot distribute so as to satisfy simultaneously your obligations under this License and any other pertinent obligations, then as a consequence you may not distribute the Program at all. For example, if a patent license would not permit royalty-free redistribution of the Program by all those who receive copies directly or indirectly through you, then the only way you could satisfy both it and this License would be to refrain entirely from distribution of the Program. If any portion of this section is held invalid or unenforceable under any particular circumstance, the balance of the section is intended to apply and the section as a whole is intended to apply in other circumstances. It is not the purpose of this section to induce you to infringe any patents or other property right claims or to contest validity of any such claims; this section has the sole purpose of protecting the integrity of the free software distribution system, which is implemented by public license practices. Many people have made generous contributions to the wide range of software distributed through that system in reliance on consistent application of that system; it is up to the author/donor to decide if he or she is willing to distribute software through any other system and a licensee cannot impose that choice. This section is intended to make thoroughly clear what is believed to be a consequence of the rest of this License.

8. If the distribution and/or use of the Program is restricted in certain countries either by patents or by copyrighted interfaces, the original copyright holder who places the Program under this License may add an explicit geographical distribution limitation excluding those countries, so that distribution is permitted only in or among countries not thus excluded. In such case, this License incorporates the limitation as if written in the body of this License.

9. The Free Software Foundation may publish revised and/or new versions of the General Public License from time to time. Such new versions will be similar in spirit to the present version, but may differ in detail to address new problems or concerns. Each version is given a distinguishing version number. If the Program specifies a version number of this License which applies to it and "any later version", you have the option of following the terms and conditions either of that version or of any later version published by the Free Software Foundation. If the Program does not specify a version number of this License, you may choose any version ever published by the Free Software Foundation.

10. If you wish to incorporate parts of the Program into other free programs whose distribution conditions are different, write to the author to ask for permission. For software which is copyrighted by the Free Software Foundation, write to the Free Software Foundation; we sometimes make exceptions for this. Our decision will be guided by the two goals of preserving the free status of all derivatives of our free software and of promoting the sharing and reuse of software generally.

NO WARRANTY

11. BECAUSE THE PROGRAM IS LICENSED FREE OF CHARGE, THERE IS NO WARRANTY FOR THE PROGRAM, TO THE EXTENT PERMITTED BY APPLICABLE LAW. EXCEPT WHEN OTHERWISE STATED IN WRITING THE COPYRIGHT HOLDERS AND/OR OTHER PARTIES PROVIDE THE PROGRAM "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE PROGRAM IS WITH YOU. SHOULD THE PROGRAM PROVE DEFECTIVE, YOU ASSUME THE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

12. IN NO EVENT UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING WILL ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO MAY MODIFY AND/OR REDISTRIBUTE THE PROGRAM AS PERMITTED ABOVE, BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY GENERAL, SPECIAL, INCIDENTAL OR

<p>CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PROGRAM (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY YOU OR THIRD PARTIES OR A FAILURE OF THE PROGRAM TO OPERATE WITH ANY OTHER PROGRAMS), EVEN IF SUCH HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Supplemental License Text	<p>The UnboundID LDAP SDK is licensed under the following Free Use License (https://www.unboundid.com/products/ldapsdk/docs/LICENSE-UnboundID-LDAPSDK.txt):</p> <p style="text-align: center;">UnboundID LDAP SDK Free Use License</p> <p>THIS IS AN AGREEMENT BETWEEN YOU ("YOU") AND UNBOUNDID CORP. ("UNBOUNDID") REGARDING YOUR USE OF UNBOUNDID LDAP SDK FOR JAVA AND ANY ASSOCIATED DOCUMENTATION, OBJECT CODE, COMPILED LIBRARIES, SOURCE CODE AND SOURCE FILES OR OTHER MATERIALS MADE AVAILABLE BY UNBOUNDID (COLLECTIVELY REFERRED TO IN THIS AGREEMENT AS THE ("SDK").</p> <p>BY INSTALLING, ACCESSING OR OTHERWISE USING THE SDK, YOU ACCEPT THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT INSTALL, ACCESS OR USE THE SDK.</p> <p>USE OF THE SDK. Subject to your compliance with this Agreement, UnboundID grants to You a non-exclusive, royalty-free license, under UnboundID's intellectual property rights in the SDK, to use, reproduce, modify and distribute this release of the SDK; provided that no license is granted herein under any patents that may be infringed by your modifications, derivative works or by other works in which the SDK may be incorporated (collectively, your "Applications"). You may reproduce and redistribute the SDK with your Applications provided that you (i) include this license file and an unmodified copy of the unboundid-ldapsdk-se.jar file; and (ii) such redistribution is subject to a license whose terms do not conflict with or contradict the terms of this Agreement. You may also reproduce and redistribute the SDK without your Applications provided that you redistribute the SDK complete and unmodified (i.e., with all "read me" files, copyright notices, and other legal notices and terms that UnboundID has included in the SDK).</p> <p>SCOPE OF LICENSES. This Agreement does not grant You the right to use any UnboundID intellectual property which is not included as part of the SDK. The SDK is licensed, not sold. This Agreement only gives You some rights to use the SDK. UnboundID reserves all other rights. Unless applicable law gives You more rights despite this limitation, You may use the SDK only as expressly permitted in this Agreement.</p> <p>SUPPORT. UnboundID is not obligated to provide any technical or other support ("Support Services") for the SDK to You under this Agreement. However, if UnboundID chooses to provide any Support Services to You, Your use of such Support Services will be governed by then-current UnboundID support policies.</p> <p>TERMINATION. UnboundID reserves the right to discontinue offering the SDK and to modify the SDK at any time in its sole discretion. Notwithstanding anything contained in this Agreement to the contrary, UnboundID may also, in its sole discretion, terminate or suspend access to the SDK to You or any end user at any time. In addition, if you fail to comply with the terms of this Agreement, then any rights granted herein will be automatically terminated if such failure is not corrected within 30 days of the initial notification of such failure. You acknowledge that termination and/or monetary damages may not be a sufficient remedy if You breach this Agreement and that UnboundID will be entitled, without waiving any other rights or remedies, to injunctive or equitable relief as</p>

may be deemed proper by a court of competent jurisdiction in the event of a breach. UnboundID may also terminate this Agreement if the SDK becomes, or in UnboundID's reasonable opinion is likely to become, the subject of a claim of intellectual property infringement or trade secret misappropriation. All rights and licenses granted herein will simultaneously and automatically terminate upon termination of this Agreement for any reason.

DISCLAIMER OF WARRANTY. THE SDK IS PROVIDED "AS IS" AND UNBOUNDID DOES NOT WARRANT THAT THE SDK WILL BE ERROR-FREE, VIRUS-FREE, WILL PERFORM IN AN UNINTERRUPTED, SECURE OR TIMELY MANNER, OR WILL INTEROPERATE WITH OTHER HARDWARE, SOFTWARE, SYSTEMS OR DATA. TO THE MAXIMUM EXTENT ALLOWED BY LAW, ALL CONDITIONS, REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE (EVEN IF UNBOUNDID HAD BEEN INFORMED OF SUCH PURPOSE), OR NON-INFRINGEMENT OF THIRD PARTY RIGHTS ARE HEREBY DISCLAIMED.

LIMITATION OF LIABILITY. IN NO EVENT WILL UNBOUNDID OR ITS SUPPLIERS BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, LOST PROFITS, REVENUE, DATA OR DATA USE, BUSINESS INTERRUPTION, COST OF COVER, DIRECT, INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SDK OR IN ANY WAY RELATED TO THIS AGREEMENT, EVEN IF UNBOUNDID HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

ADDITIONAL RIGHTS. Certain states do not allow the exclusion of implied warranties or limitation of liability for certain kinds of damages, so the exclusion of limited warranties and limitation of liability set forth above may not apply to You.

EXPORT RESTRICTIONS. The SDK is subject to United States export control laws. You acknowledge and agree that You are responsible for compliance with all domestic and international export laws and regulations that apply to the SDK.

MISCELLANEOUS. This Agreement constitutes the entire agreement with respect to the SDK. If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall in no way be affected or impaired thereby. This Agreement and performance hereunder shall be governed by and construed in accordance with the laws of the State of Texas without regard to its conflict of laws rules. Any disputes related to this Agreement shall be exclusively litigated in the state or federal courts located in Travis County, Texas.

c. Additional Functionality. Microsoft may provide additional functionality for the software. Other license terms and fees may apply.

4. INTERNET-BASED SERVICES. Microsoft provides Internet-based services with the software. It may change or cancel them at any time.

a. Consent for Internet-Based Services. The software feature described below connects to Microsoft or service provider computer systems over the Internet. In some cases, you will not receive a separate notice when they connect. You may switch off this feature or not use it. For more information about this feature, see the software documentation. **BY USING THIS FEATURE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION.** Microsoft does not use the information to identify or contact you.

- Computer Information. The following feature uses Internet protocols, which send to the appropriate systems computer information, such as your Internet protocol address, the type of operating system, browser and name and version of the software you are using, and the language code of the device where you installed the software. Microsoft uses this information to make the Internet-based service available to you.

- Digital Certificates. The software uses digital certificates. These digital certificates confirm the identity of Internet users sending X.509 standard encrypted information. The software retrieves certificates and updates certificate revocation lists. These security features operate only when you use the Internet.

b. Misuse of Internet-based Services. You may not use this service in any way that could harm it or impair anyone else's use of it. You may not use the service to try to gain unauthorized access to any service, data, account or network by any means.

5. TIME-SENSITIVE SOFTWARE. If the version of the software is a trial version, the software will stop running either ninety days or one hundred eighty days after you install it, depending on the trial version you have. You will receive notice before it stops running. You may not be able to access data used with the software when it stops running.

6. PRODUCT KEYS. The software requires a key to install or access it. You are responsible for the use of keys assigned to you. You should not share the keys with third parties.

7. MICROSOFT WINDOWS SOFTWARE. The software contains the Microsoft .NET Framework 2.0 and Microsoft Data Access Component 2.8 SP1 software. These software are part of Windows. The license terms for Windows apply to your use of the .NET Framework 2.0 and Microsoft Data Access Component software.

8. SQL SERVER BENCHMARK TESTING. You must obtain Microsoft's prior written approval to disclose to a third party the results of any benchmark test of the SQL Server software that accompanies this software.

9. MICROSOFT .NET FRAMEWORK BENCHMARK TESTING. The software includes the .NET Framework component of the Windows operating systems ("NET Component"). You may conduct internal benchmark testing of the .NET Component. You may disclose the results of any benchmark test of the .NET Component, provided that you comply with the following terms: (1) you must disclose all the information necessary for replication of the tests, including complete and accurate details of your benchmark testing methodology, the test scripts/cases, tuning parameters applied, hardware and software platforms tested, the name and version number of any third party testing tool used to conduct the testing, and complete source code for the benchmark suite/harness that is developed by or for you and used to test both the .NET Component and the competing implementation(s); (2) you must disclose the date (s) that you conducted the benchmark tests, along with specific version information for all Microsoft software products tested, including the .NET Component; (3) your benchmark testing was performed using all performance tuning and best practice guidance set forth in the product

documentation and/or on Microsoft's support web sites, and uses the latest updates, patches and fixes available for the .NET Component and the relevant Microsoft operating system; (4) it shall be sufficient if you make the disclosures provided for above at a publicly available location such as a website, so long as every public disclosure of the results of your benchmark test expressly identifies the public site containing all required disclosures; and (5) nothing in this provision shall be deemed to waive any other right that you may have to conduct benchmark testing. The foregoing obligations shall not apply to your disclosure of the results of any customized benchmark test of the .NET Component, whereby such disclosure is made under confidentiality in conjunction with a bid request by a prospective customer, such customer's application(s) are specifically tested and the results are only disclosed to such specific customer. Notwithstanding any other agreement you may have with Microsoft, if you disclose such benchmark test results, Microsoft shall have the right to disclose the results of benchmark tests it conducts of your products that compete with the .NET Component, provided it complies with the same conditions above.

10. **SCOPE OF LICENSE.** The software is licensed, not sold. This agreement only gives you some rights to use the software. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. For more information, see www.microsoft.com/licensing/userights. You may not

- work around any technical limitations in the software;
- reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
- make more copies of the software than specified in this agreement or allowed by applicable law, despite this limitation;
- publish the software for others to copy;
- rent, lease or lend the software; or
- use the software for commercial software hosting services.

11. **BACKUP COPY.** You may make one backup copy of the software. You may use it only to reinstall the software.

12. **DOCUMENTATION.** Any person that has valid access to your computer or internal network may copy and use the documentation for your internal, reference purposes.

13. **NOT FOR RESALE SOFTWARE.** You may not sell software marked as "NFR" or "Not for Resale."

14. **ACADEMIC EDITION SOFTWARE.** You must be a "Qualified Educational User" to use software marked as "Academic Edition" or "AE." If you do not know whether you are a Qualified Educational User, visit www.microsoft.com/education or contact the Microsoft affiliate serving your country.

15. **UPGRADE.** If this software is marked as an upgrade version, you may use it only if you have a license to use the software eligible for upgrade. If you upgrade, this software takes the place of the earlier version, and this agreement takes the place of the agreement for that earlier version. You may use the earlier version only as permitted in the Downgrade clause below.

16. **DOWNGRADE.** You may install and use this version and an earlier version of the software at the same time. This agreement applies to your use of the earlier version. If the earlier version includes different components, any terms for those components in the agreement that comes with the earlier version apply to your use of them. Microsoft is not obligated to supply earlier versions to you.

17. **TRANSFER TO A THIRD PARTY.** The first user of the software may transfer it, and this agreement, directly to a third party. Before the transfer, that party must agree that this agreement applies to the transfer and use of the software. The first user must uninstall the software before transferring it separately from the device. The first user may not retain any copies.

18. **EXPORT RESTRICTIONS.** The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.

19. **SUPPORT SERVICES.** Microsoft provides support services for the software as described at www.support.microsoft.com/common/international.aspx.

20. **ENTIRE AGREEMENT.** This agreement (including the warranty below), and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services.

21. **APPLICABLE LAW.**

a. **United States.** If you acquired the software in the United States, Washington state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort.

b. **Outside the United States.** If you acquired the software in any other country, the laws of that country apply.

22. **LEGAL EFFECT.** This agreement describes certain legal rights. You may have other rights under the laws of your state or country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your state or country if the laws of your state or country do not permit it to do so.

23. **LIMITATION ON AND EXCLUSION OF DAMAGES. YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO THE AMOUNT YOU PAID FOR THE SOFTWARE. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.**

This limitation applies to

- anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
- claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if

- repair, replacement or a refund for the software does not fully compensate you for any losses; or
- Microsoft knew or should have known about the possibility of the damages.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. They also may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

LIMITED WARRANTY

A. LIMITED WARRANTY. If you follow the instructions, the software will perform substantially as described in the Microsoft materials that you receive in or with the software.

B. TERM OF WARRANTY; WARRANTY RECIPIENT; LENGTH OF ANY IMPLIED WARRANTIES. THE LIMITED WARRANTY COVERS THE SOFTWARE FOR ONE YEAR AFTER ACQUIRED BY THE FIRST USER. IF YOU RECEIVE SUPPLEMENTS, UPDATES, OR REPLACEMENT SOFTWARE DURING THAT YEAR, THEY WILL BE COVERED FOR THE REMAINDER OF THE WARRANTY OR 30 DAYS, WHICHEVER IS LONGER. If the first user transfers the software, the remainder of the warranty will apply to the recipient.

TO THE EXTENT PERMITTED BY LAW, ANY IMPLIED WARRANTIES, GUARANTEES OR CONDITIONS LAST ONLY DURING THE TERM OF THE LIMITED WARRANTY. Some states do not allow limitations on how long an implied warranty lasts, so these limitations may not apply to you. They also might not apply to you because some countries may not allow limitations on how long an implied warranty, guarantee or condition lasts.

C. EXCLUSIONS FROM WARRANTY. This warranty does not cover problems caused by your acts (or failures to act), the acts of others, or events beyond Microsoft's reasonable control.

D. REMEDY FOR BREACH OF WARRANTY. MICROSOFT WILL REPAIR OR REPLACE THE SOFTWARE AT NO CHARGE. IF MICROSOFT CANNOT REPAIR OR REPLACE IT, MICROSOFT WILL REFUND THE AMOUNT SHOWN ON YOUR RECEIPT FOR THE SOFTWARE. IT WILL ALSO REPAIR OR REPLACE SUPPLEMENTS, UPDATES AND REPLACEMENT SOFTWARE AT NO CHARGE. IF MICROSOFT CANNOT REPAIR OR REPLACE THEM, IT WILL REFUND THE AMOUNT YOU PAID FOR THEM, IF ANY. YOU MUST UNINSTALL THE SOFTWARE AND RETURN ANY MEDIA AND OTHER ASSOCIATED MATERIALS TO MICROSOFT WITH PROOF OF PURCHASE TO OBTAIN A REFUND. THESE ARE YOUR ONLY REMEDIES FOR BREACH OF THE LIMITED WARRANTY.

E. CONSUMER RIGHTS NOT AFFECTED. YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS UNDER YOUR LOCAL LAWS, WHICH THIS AGREEMENT CANNOT CHANGE.

F. WARRANTY PROCEDURES. You need proof of purchase for warranty service.

1. United States and Canada. For warranty service or information about how to obtain a refund for software acquired in the United States and Canada, contact Microsoft at

- (800) MICROSOFT;
- Microsoft Customer Service and Support, One Microsoft Way, Redmond, WA 98052-6399; or

3. Outside United States, Canada, Europe, Middle East and Africa. If you acquired the software outside the United States, Canada, Europe, the Middle East and Africa, contact the Microsoft affiliate serving your country (see www.microsoft.com/worldwide).

G. NO OTHER WARRANTIES. THE LIMITED WARRANTY IS THE ONLY DIRECT WARRANTY FROM MICROSOFT. MICROSOFT GIVES NO OTHER EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. WHERE ALLOWED BY YOUR LOCAL LAWS, MICROSOFT EXCLUDES IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. If your local laws give you any implied warranties, guarantees or conditions, despite this exclusion, your remedies are described in the Remedy for Breach of Warranty clause above, to the extent permitted by your local laws.

H. LIMITATION ON AND EXCLUSION OF DAMAGES FOR BREACH OF WARRANTY. THE LIMITATION ON AND EXCLUSION OF DAMAGES CLAUSE ABOVE APPLIES TO BREACHES OF THIS LIMITED WARRANTY.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM COUNTRY TO COUNTRY.

Please note: As this software is distributed in Quebec, Canada, some of the clauses in this agreement are provided below in French.

Remarque : Ce logiciel étant distribué au Québec, Canada, certaines des clauses dans ce contrat sont fournies ci-dessous en français.

GARANTIE LIMITÉE

A. GARANTIE LIMITÉE. Si vous suivez les instructions, le logiciel fonctionnera dans son ensemble comme il est décrit dans la documentation de Microsoft reçue avec ou dans le logiciel.

B. DURÉE DE LA GARANTIE ; BÉNÉFICIAIRE DE LA GARANTIE ; DURÉE DE TOUTE GARANTIE IMPLICITE. La garantie limitée couvre le logiciel pendant un an après son acquisition par le premier utilisateur. Si vous recevez des compléments, des mises à jour ou un logiciel de remplacement au cours de cette année, ils seront couverts par la garantie pendant la durée restante ou pendant 30 jours, la période la plus longue étant retenue. Si le premier utilisateur transfère le logiciel, la durée restante de la garantie s'applique au destinataire.

Dans la limite autorisée par la loi en vigueur, toute garantie ou condition implicite dont vous bénéficiez prendra fin au terme de la garantie limitée. Certains États n'autorisent pas les limitations portant sur la durée d'une garantie implicite, de sorte que les limitations ci-dessus peuvent ne pas vous être applicables. Elles peuvent également ne pas vous être applicables, car certains pays n'autorisent pas les limitations portant sur la durée d'une garantie ou condition implicite.

C. EXCLUSIONS DE LA GARANTIE. Cette garantie ne couvre pas les problèmes engendrés par vos propres actes (ou absences d'actes), ceux de tiers ou tout autre événement indépendant de la volonté de Microsoft.

Si nous ne pouvons pas les réparer ni les remplacer, nous rembourserons le montant que vous avez payé pour ces composants, le cas échéant.
