Espejo**
Spain

Course

Participants will experience live and re-live surgeries, case discussions, dry workshops and lectures from top experts in the field. The course will begin with a warm welcome dinner the evening before, setting the stage for an enriching educational journey.

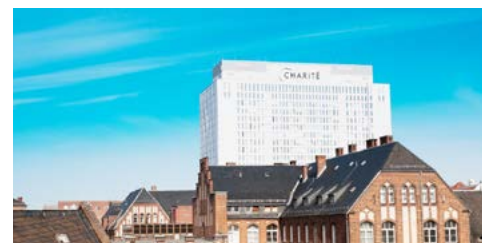

1st - 2nd October 2026

The course will start at 19:00 on the 1st and end at 16:30 on the 2nd.

Charité - Berlin

pl. 1, 10117 Berlin
Germany

Delegate Profile

This course is aimed at fellowship trained, high volume knee surgeons performing >50 ACL's per year and competent in all aspects of soft tissue knee surgery.

CPD points will be offered upon completion of the course.

**You specialise in your patients.
We specialise in you.**
