Tafelbergweg 47, 1105BD,
Amsterdam, The Netherlands.

EEMEA Know More Cut Less MAKO Meeting

31 March, 2020 | Amsterdam Skill Center, Netherlands

Faculty:

Scott Logan
Principal Marketing Manager, Stryker US

US MAKO Business Lead (TBC)

Overview:

The aim of the event is to empower Stryker JR & Mako messaging in the regions by leveraging the Mako KOL's knowledge level and insuring they understand, communicate and implement Triathlon philosophies in Mako procedures correctly. Also this event would be a great platform for our key Mako customers to communicate and share the experiences between each other

Didactic presentations, group discussions and cadaver lab sessions

Delegate Profile:

MAKO KOLs around the region who are already using MAKO systems

Product Focus

MAKO Total Knee Applications

Registration:
