Coin cell battery digital product passport

Product Information

Product Family Names	LIFEPAK® 15, 20e defibrillator/monitor LIFEPAK® 35 defibrillator/monitor LIFEPAK® 1000 AED defibrillator

Product Family Manufacturer

Name of the Company	Stryker Medical
Address	11811 Willows Road NE, Redmond, WA 98052 USA

Coin cell battery Model Number (s)

CR2032
BR2330BN

General Battery Information: Coin Cell Battery

Battery Manufacturer & Address	Panasonic 1-1 Matsushita-cho, Moriguchi-city, 1-2 Osaka, 570-8511, Japan
Battery Category	Portable of general use
Place of Manufacturer	Indonesia
Date of Manufacture	See product label
Weight	Appx. 2.8g
Capacity	225mAh, 3V
Hazardous substances (other than mercury, cadmium, lead)	Lithium metal, Manganese dioxide, 1,2-dimethoxyethane, Lithium perchlorate, Propylene Carbonate
Chemistry	Primary, LiMnO2
Usable Extinguishing Agent	Class D extinguisher, alcohol-resistant foam & dry sand
Critical Raw Materials Present in Battery in a Concentration Greater than 0.1% w/w.	Lithium metal
Instructions and Safety Information	Do not short-circuit, deform, throw into fire or disassemble Do not dispose in the municipal trash
Storage and Transport Conditions	Do not store in places of high temperature or high humidity. UN3091, Lithium metal batteries contained in equipment
