

Ozark®

View Cervical Plate System

The Ozark View Cervical Plate System features a per-level, integrated locking cover that provides visual and tactile confirmation of the final lock position. The View Plate features a wide window for increased graft visualization and includes a variety of implant sizes, screw dimensions, and surgical instruments.

Ozark View Cervical Plate System

Plate design

- 1–5 level plates with integrated locking cover
- Clear visual and tactile confirmation of final lock position
- 17.4mm wide and 2.5mm thin
- Pre-lordosed to match patient anatomy
- Strategically placed windows for increased graft visualization

Fixed screws

Variable screws

Screw design

- Self-starting and self-tapping screw options
- Color-coded by fixed and variable, as well as by screw length
- Ø4.0mm standard and Ø4.5mm rescue screws
- 12, 14, and 16mm standard lengths (additional lengths available by request)
- Flexibility to insert variable screws up to 30° conically

Variable drill guide

Fixed drill guide

Instruments

- Same driver used for screw insertion and final locking
- Threaded driver available for use with screws and temporary fixation pins
- Multiple drill guide lengths available to accommodate surgeon preference

Spine division

A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Stryker does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery.

The information presented is intended to demonstrate the breadth of Stryker product offerings. A surgeon must always refer to the package insert, product label and/or instructions for use before using any Stryker product. The products depicted are CE marked according to the Medical Device Directive 93/42/EEC. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your Stryker representative if you have questions about the availability of Stryker products in your area.
