Eligible People – All full-time employees regularly scheduled to work at least 40 hours per week and all part-time employees regularly scheduled to work at least 20 hours per week: Stryker Corporation Actives (0476), Stryker Corporation COBRA (0478).

Your dependents may only enroll if you are enrolled (except under COBRA) and must be enrolled in the same plan.

Plan changes are only allowed during open enrollment periods, except that an election may be revoked or changed at any time if the change is the result of a qualifying event.

In most cases, you cannot change your dental benefit election during the year. However, you may be permitted to add or drop a dependent, or enroll for or drop coverage. See the Stryker Plan Description for details.

Enrollees and dependents choosing this plan are required to remain enrolled for a minimum of 12 months. Your Dependent Children may be enrolled on one application. Delta Dental will use a carve-out method of coordinating benefits. If the patient has other coverage and that coverage has a higher priority than this plan, this plan's payment for covered services will equal the amount payable under this plan minus the amount paid by the primary carrier. This plan's payment will not exceed the amount that would have been paid in the absence of any other plan.

Benefits will cease on the last day of employment.
